New Election Is Ordered In Belle Glade Council Race

As the result of a ruling handed down by Judge C. E. Chillingworth on Wednesday of this week Belle Glade council will call a special election Oct. 23 to tell whether H. O. Carlton or Junius Harris shall hold the seat on the Sept. 11 council from North Borough. Carlton received 266 votes to 263 for Harris in the city election.

Election returns indicated that Carlton had defeated Harris by a 266-263 vote, but the puzzling situation which brought the election into court here, developed when Harry Leibovitz appeared before the canvassing board and stated that he had cast an illegal vote. Leibovitz told the board he had assumed he was a qualified voter in Belle Glade, despite the fact that he had moved his residence to nearby Chosen.

Regarding evidence and testimony that Leibovitz had voted for Carlton was not considered an important factor by the court, when it stated that "it is quite immaterial as to how Leibovitz voted. The material point is that there was one illegal vote cast, which could have changed the result of the election, as the ballots when counted, showed a difference of only one vote between the first man and the second man on the list.

Plans Are Made To Buy Cattle Market

Glades Livestock Market Assn. stockholders elected directors to negotiate for immediate purchase of the market facilities now under lease.

This action came at the association's first annual meeting during which approximately 400 members and guests attended a barbecue.

After the affair, \$12,000 was subscribed toward purchase of the market.

Directors reelection to serve three years: John L. Evans, Bear City, and E. M. VanLandingham, Belle Glade. Frank Wilson, South Bay, was elected for three years to succeed Ray Raulerson. Pahokee. Holdover directors: Roy Vandegrift and T. W. Knight, Pahokee, and J. H. Chambliss and Leonard Pearce, both of Belle Glade. Mr. Vandegrift is president.

Charles McCurdy Is Student Rotarian

Pahokee High School Senior Charles McCurdy became the 1951-52 student member of the Pahokee Rotary Club after having been chosen by the faculty for that honor. Past President John Dulany made the speech of induction to young McCurdy who responded with appropriate remarks.

Young Rotarian McCurdy is the son of Rotarian and Mrs. W. W. McCurdy of Pahokee. He is a member of the Pahokee high school band and also a member of the 1951 Pahokee Blue Devil football team.

Mac Lynn Student Member Of Lions

Mac Lynn, Pahokee High School Senior, was received as a student member of the Pahokee Lions Club at the Tuesday luncheon meeting. Plans were announced for a special luncheon meeting at the Woman's Club building in observance of United Nations Day on Tuesday, Oct. 23, with Woman Club members to attend as invited guests. Mrs. W. C. White of Okeechobee, Florida delegate to the Social Security Council of the United Nations, will be guests speaker. Milton Carpenter of the Lions Club and Mrs. R. J. Schroder of the Woman's Club will be in charge of program arrangements.

Commerce Body Names Directors

The Pahokee Chamber of Commerce at a meeting of the entire membership in the city hall Tuesday night elected Joe Alderman, Leon Burnett, Homer J. Clause and Gordon Hillier new members of the board of directors, each for one-year terms of office. Other members of the board include M. J. K. chairman, Frank Roselle, John Butterfield, E. A. Jensen, Ralph Johnson, I. M. Lair, Elmer Jones and Abe Dabrow.

The chamber voted to ask the State Road Department to place more prominent warning signs at the approaches to the treacherous curve on SR 716 which has been the scene of many fatal accidents. It was pointed out at the meeting this small curve, located six miles northwest of Twenty-mile Bend, is particularly dangerous for night-driving motorists unfamiliar with the road because it is the only curve in the straight 20-mile stretch of highway connecting Twenty-mile Bend and Canal Point.

Funeral Services For Mrs. McDonald

Funeral services for Mrs. Irene McDonald of Fort Myers, former resident of Canal Point, were held at Fort Myers on Thursday of this week at 11 a. m.

Mrs. McDonald, a native of Ontario, Canada, died from a heart attack at her home in Fort Myers Tuesday.

Survivors include a daughter, Mrs. Louis Cowart of Canal Point, a son, Walter Milliken of Fort Myers, three grandchildren, Linda, Carol and Julia Cowart of Canal Point and her mother, Mrs. Nichols of Lambeth, Ontario, Canada.

Burial was at the Fort Myers Cemetery.

Canal Point Lions Hear T. A. Harrison

T. O. Harrison, Canal Point school teacher, was guest speaker at the dinner meeting of the Canal Point Lions Club Monday evening. Introduced by Alton Jones, program chairman, the speaker gave a talk on "Why the Russians Act That Way." President Floyd Erickson presided.

M. J. Hardy Named South Bay Mayor

South Bay councilmen met Tuesday night and elected M. J. Hardy as the new mayor. Councilman Melvin Herring was named vice mayor. Mrs. G. J. Barstow was re-named as city clerk.

Commissioners appointed included Mr. Herring, streets and parks; R. G. Fisher, water and garbage; H. E. Walker, fire department and finance; W. G. Bowen, police, and Mr. Hardy, finance.

Ralph O. Johnson was reappointed town attorney and Ted Daniels, of Lake Harbor, delegate on the Resources and Development Board. Councilmen authorized an ordinance be prepared regulating the closing hours of liquor establishments. It was proposed they be closed from midnight, Saturday until 7 a. m. Monday and from 2 a. m. until 7 a. m. on weekdays.

Plans In Pahokee For Spook Party

Plans for the annual Halloween carnival for the children of the community which will be sponsored by the Pahokee Parent-Teacher Association on the school grounds Wednesday night, Oct. 31, were explained by Mrs. J. T. Boynton, carnival chairman, at the October meeting of the Pahokee PTA held in the high school auditorium Monday night. The various civic clubs that have booths or concessions at the carnival will turn over half of their net proceeds to PTA for carnival expenses and keep half for their own club purposes. Mrs. Boynton said.

It was voted to discontinue the serving of refreshments at regular meetings except on special occasions to be announced by Mrs. W. Roselle Wilson, hospitality chairman. Mrs. Ralph Stanley, cafeteria manager, reported a new electric water cooler has been purchased for the cafeteria. Mrs. Marshall Lair, publications chairman, gave a talk on the Parent-Teacher Magazine and urged members to subscribe. Mrs. E. L. Tope, welfare chairman, reported PTA is serving free lunches to 15 underprivileged children at the school cafeteria.

A vote of thanks was given to County Commission Chairman Paul Rardin for a \$15 donation to PTA. Mrs. J. C. Schoepel, president, who presided at the business session, read the names of newly appointed chairmen of standing committees.

The monthly attendance awards went to Mrs. Sara Thomas's fifth grade room at the elementary school and to Miss Constance Smith's 11-A group at the high school.

Following the meeting PTA members were invited on a tour of inspection through the elementary school. Refreshments were served in the school cafeteria by Mrs. W. Roselle Wilson and her hostess committee.

Mrs. Dave W. Young, worthy patron of the Pahokee Chapter, Order of Eastern Star, is a patient at the Florida East Coast Hospital in St. Augustine.

Vegetable Group To Meet In Lauderdale

The Everglades Branch of the National League of Wholesome Fresh Fruit and Vegetable Distributors will hold its annual election of officers and ladies night program at the Escape Hotel in Fort Lauderdale Tuesday night, Oct. 23, according to an announcement by John A. Dulany, chairman of the executive committee.

Richlands Pump Station Burned

The massive pumping station of Richlands, Inc., located at Bacom Point, went up in smoke at 5:30 p. m. Thursday after a hose connection broke and fuel was exposed to the hot motor. Drew Jones, operator of the pump, said he had left the station for a few minutes when the fire started.

Damage estimated by officials of the company place it at \$40,000. The pumps served 3,000 acres in Pelican Bay.

The pumping station, which had been operating night and day since the recent flood to pump water from the Bay area into Lake Okeechobee, had succeeded in reclaiming much of the land when the fire occurred.

Farmers who had replanted and cattlemen last night expressed fear that, despite the dikes, water from Lake Okeechobee would seep back onto the Pelican Bay lands, which are below the Lake level.

Last Rites Held For H. H. Herring.

Funeral services for Hamilton H. Herring, 59, of Pahokee, were held at the Church of God in Baxley, Ga., Monday afternoon, Oct. 8.

Mr. Herring, a resident of Pahokee for the past several years, died at the Belle Glade hospital Friday.

Survivors include the wife, Isabelle; three sons, Hilton, Colvin and H. J., all of Pahokee; three daughters, Mrs. Irene Harris and Mrs. Alice Crowell, both of Winter Haven and Mrs. Evelyn Maston, Jacksonville; one sister, one brother and six grandchildren.

Berry's Funeral Home was in charge of local arrangements.

Mr. and Mrs. J. C. Mock and Mrs. Frank Thompson have returned from Colquitt, Ga., where they were called recently by the death of Mr. Mock's nephew, W. H. Mock, who was killed in a tractor accident.

The headquarters of the Marine Corps moved from Philadelphia to Washington, in June 1890.

The Seacrest Seahawks of Delray Beach, with a 1-1-1 record to date, will invade Lair Field this Friday night for a Suncoast Conference tilt with the Pahokee Blue Devils who are still gunning for their first victory.

The East Coast eleven, blanked 31 to 0 by Vero Beach in its opener, showed increasing strength by holding a strong Clewiston team to a scoreless tie two weeks ago and was effective both in the air and on the ground last Friday when it trounced the Stuart Tigers, 38 to 7. Coach Jim Reichert has a classy combination in Quarterback Frank Springer and End Bagger Kirtan and depends on Halfback Belma Swilley and Fullback John Manning for ground gains.

Coach Dub Kendrick says undermanned Blue Devil squad showed some improvement in practice this week but with only 22 players on the squad he barely has enough men for scrimmage. He reports the loss of his most effective end and pass receiver, Rusty Million, who has dropped out of school. Bobby Carlton is being groomed to take Million's place at left end on the first lineup.

A bright spot in the Blue Devil picture is the return in the starting lineup of Tackle Jack Boland who has been laid up with an injured knee since the Key West game. Kendrick has been direct—(continued on page 8)

Pahokee Workers Get 10 Pct. Raise

The Pahokee City Council at a meeting Monday night voted a 10 per cent raise in salary for all city employees as provided for in the new city budget because of the increased cost in living and social security fees to be deducted from payrolls.

The council passed an ordinance in which provisions were made for the city to participate in the federal old-age and social security insurance program. Two other ordinances were also passed at the meeting, one for the regulation of tourist and trailer courts within the city limits and the other to make provisions for the casting of absentee ballots in city elections.

A board was named to have charge of the special city election to be held Tuesday, Oct. 16, for the purpose of voting on the 30-year franchise to furnish electricity to the City of Pahokee which the Florida Power and Light Company is requesting from the city. The election board will include Mrs. Miriam L. Dulany, clerk; Mrs. Evie Roberts, Mrs. Ruth Howard and Mrs. Veda Spooner, inspectors; Mrs. R. J. Schroder, Mrs. W. H. Brewton and Mrs. Robert Lampi, alternates.

Rudy Faulk and Don Kepp will return home this weekend from a two weeks' business trip to Chicago, Detroit and New York City. While in New York they attended the World series baseball games.

those who have broken the state's laws and started to pay the penalties. Out of 4,151 paroles granted in that time, only 541 had been revoked and fewer than half of those for the commission of new crimes. In addition, the parole commission has handled the probation supervision of 3,604 persons placed on probation by courts instead of sending them to jail, and of 1,010 persons on parole from other states. The first commission consisted of Francis R. Bridges, Jr., Joseph Y. Chaney and James T. Vocelle. The latter has returned to private law practice and the other member is Raymond B. Marsh.

TALLAHASSEE—Attorney General Richard W. Ervin this week gave his opinion on the following general subjects:

LICENSE—Alien and non resident must pay special license on boats.

CHILD—No hunting or fishing license is required of child under 15.

RUPTURE—Person fitting appliances for treatment of rupture need not take basic science test.

CONTRIBUTIONS—Candidate may not accept contributions from passing the hat, without names of donors.

FEES—County officer may not manipulate fees of his office to increase his annual wage above legal maximum.

UTILITIES—Railroad commission is justified in giving general counsel more compensation for additional work regulating utilities.

EYES—Law does not authorize optometrist to prescribe eye medicine.

BANK—School board may borrow from bank having board member as stockholder.

SCHOOLS—County may hire traffic guards for school crossing.

WIFE—Divorced wife of deceased state employee may claim refund of contributions if she is the sole heir.

SHINE—Licensed liquor places may be searched for moonshine without search warrant by proper officers.

TALLAHASSEE—Organization of the new electric and gas utility department of the Florida Railroad and Public Utilities Commission will be conducted under the supervision of Lewis W. Pettet-way, general counsel for the commission. Attorney General Ervin has declared the commission is

within its power in giving him \$1,500 additional for the work, one of the major responsibilities of the state since the 1951 legislature. Private utilities were given until October 1 to report their rates, and the commission proceeded then to start a series of hearings on them.

TALLAHASSEE—Selling New York industries on locating in Florida is a new job-payless created by the state improvement commission for Wallace G. Rouse, consulting engineer in New York. Rouse has agreed to represent the state for one year without fee. If at the end of that time the state has received enough industrial boos to warrant a fee, then the improvement commission will consider it. This is part of their program to lure new light industries into the state.

TALLAHASSEE—With the start of the fall hunting season just around the corner, the Florida Game and Fresh Water Fish Commission will hold a regular meeting here October 29. Director Ben L. McLaughlin said that sportsmen or any other delegation will be heard at that time.

Members of St. Martha's Guild Episcopal Church of the Holy Nativity, will conduct a regular meeting and enjoy an oyster stew supper at the home of Mrs. Thomas Breger in Belle Glade Monday night, Oct. 15.

Mr. and Mrs. Wiley Tillis visited her brother and sister-in-law, Mr. and Mrs. H. L. Jaudon, in Waukegan over the weekend.

Mr. and Mrs. Louis Cowart were called to Fort Myers Tuesday by the death of Mrs. Cowart's mother, Mrs. Fred McDonald.

GROWING UP IN THE SOUTH

TELEPHONE SERVICE IS GROWING, TOO

...and the price is up far less
than most things you buy!

SINCE this little fellow was born—in just five years—the number of local telephones Floridians can call has more than doubled. And Southern Bell expects to spend about \$20,000,000 this year to expand and improve telephone service for this fast-growing state.

BEST OF ALL, look at the modest price you pay for this bigger, better "package" of service! During ten years of rising prices it has gone up less than a fourth as much as prices in general... and less than our cost of providing the service.

ALWAYS one of your biggest bargains, telephone service is today an even better buy than it was ten years ago, and a smaller part of your family budget.—Southern Bell Telephone and Telegraph Company.

Our Bank Says "Help Yourself"

People around here need lots of small change these days — what with candy, gum, cigarette and soft drink machines... pay phones... and those penny sales taxes.

Used to put a strain on our bank. Changing money took up a lot of time. Then the Chief Teller Happy Wilson, read about another bank using a "help yourself" change system. The directors decided to see if it would work here.

They set out some big shallow bowls full of nickels, dimes and pennies with a sign saying "MAKE YOUR OWN CHANGE." Works fine,

too. At the end of the day, the totals are never more than a couple of cents under—or over—the right amount.

From where I sit, folks everywhere are pretty much alike, although they may seem different. Farmers and city folks, Republicans and Democrats, those who enjoy a glass of beer occasionally and those who prefer something else—we all usually try to live up to the trust others have in us.

ANNOUNCES

SANFORD—J. Brailley Odham of Sanford will run for Governor of Florida "to throw the commercialized gambling racketeers, legal and illegal, out of our state and local governments", his announcement released today declares.

"The people of Florida voted to permit pari-mutuel betting at horse and dog tracks under strong, honest public supervision, for the purpose of raising tax revenue," the 32-year-old businessman and former Legislator continued.

"They did NOT vote to let dog-track racketeers and politicians for hire take over control of the State of Florida—as they have nearly done for several years."

"The people of Florida will, themselves, stamp out these civic cancers if given leadership that cannot be bought, bossed or bluffed—and that's the only kind I can offer, humbly and with all my heart," the former State Junior Chamber of Commerce president said.

Odham rocked the state with his public exposure, on the House floor, of an attempt by a fellow-legislator to bribe him to vote against the antibiotic bill. That was before the Kefauver committee exposed Florida gambling-ramifications.

"I fought and beat these well-heeled rats," Odham's opening continued. "When they tried to defeat me for re-election in my home county, and with the help of the people, I know how we can make them keep their corrupting hands out of the people's governments."

"The Constitution of Florida, in Sect. 6, Article IV, declares: 'The Governor shall take care that the laws be faithfully executed.'"

"I have the old-fashioned idea that laws voted by the people on their duly elected representatives should be enforced fairly and fully on all alike. As Governor, I will suspend from office any law enforcement officer or other official failing in his duty to 'faithfully execute' the laws of our state."

Franklin Howell drove into Canal Point Wednesday morning with a 5 ft. 8 in. rattle snake across the hood of his car. He killed the snake near Twenty Mile Bend on his return from West Palm Beach. The snake had 14 rattles.

B. Robinson and family returned Monday after visiting in Alabama for quite a while.

Charlie Lowe moved to Sanford Wednesday.

The Ixora Circle will meet at the home of Mrs. Nola B. Smith at 3 p. m., with Mrs. Leo Maxwell, co-hostess. Mrs. C. L. Shirley, president, will preside.

County Board Has Plans For Airline

The County Commission Monday authorized County Engineer J. M. Boyd and County Atty. Harry Johnston to meet with representatives of the District Engineers Office at Jacksonville to iron out various land and other problems regarding site of the temporary terminal at Main Beach.

The two county officials met with Morris Sporer, Real Estate Division, US District Engineers Tuesday. Main purpose of the meeting is to outline more complete arrangements regarding the actual land boundaries etc. of the building to be constructed on the south side of the field.

The commission will meet in special session next Monday to receive bids on construction of the terminal.

In other action concerning the air base, the board referred to Johnston a \$200,000 damage suit brought by Industrial Engineer Corp., a manufacturing firm that leased a warehouse at the field from the board. The firm is seeking cancellation of the lease.

The board was also notified by attorney Johnston that the deed to the former Palm Beach Junior College chapel at the base will be turned over to the commission by the County School Board. The commission will in turn convey the deed to the US Government at no cost.

Dear Sir:

The City of Palatka held an election April 11, 1950 for which a total vote of 1620 were cast and the result was as follows:

For the Franchise 1,379 votes were cast, opposed to the franchise 242 votes were cast.

This franchise was issued for a period of thirty years with the provision of a consideration of paying the City the difference between the ad valorem and personal property taxes and 6% of the gross revenue of the company for electric service, except industrial and govern mental accounts.

The City Commission feel that the result of granting the franchise was beneficial to the City and its citizens. To date no increase in electric or power rates have been put in effect.

Yours very truly,

Dear Sir:

With further reference to your recent inquiry relative to the franchise under which we are now being served by the Florida Power & Light Company, I am submitting to you the following information inasmuch as I was a member of the City Commission at the time our franchise with the Florida Power & Light Company was granted.

We have been operating for nearly four years and in checking our records I find that the 6 per cent franchise payments have amounted to the following:

Period ending 10	12	48	\$54,888.70
" "	10	49	\$4,178.41
" "	11	50	\$6,422.69

From the above you will note that our annual receipts from the franchise are steadily increasing.

Our principal objective in accepting the franchise was to make certain improvements which we felt should be made in the City of Daytona Beach. The payments to be received from the franchise were pledged to retire certain recreational bonds and to cover the following Projects:

Stadium—total cost	\$125,000.00
Yacht Basin " "	\$65,541.17
Auditorium " "	\$9,703.60
Negro Recreational Center—total cost—	

All of these projects have proven exceptionally worthwhile and of great benefit to this entire area.

The results and benefits thus far received under the franchise in my opinion, have been very satisfactory.

Yours very truly,

LEROY J. HALL City Commissioner
CITY OF DAYTONA BEACH, FLORIDA

Appointment of Commissioners
Kenneth P. Foster by Chairman Paul Rardin to the county Red-Cross Armed Forces Blood Bank Committee, which will be responsible for raising a quota of 3,333 pints of blood in the county during the next year. Blood donations will be received at the Good Samaritan Blood Bank.

Denial of a petition to pave roads in the Boulevard Estates located off Southern Blvd., which was presented by residents of that section. Commissioner Lake Loyal explained that this is a subdivision area and therefore not within county jurisdiction.

Granted a two-week military leave to Frank J. Saks, county aviation director, who will report with the Air Force Reserves at Palm Beach International Air Base Oct. 15th.

Filed a report from the Veterans Service Committee, and appointed a deputy sheriff's bond for L. E. O'Neal.

Woman's Club Has Business Meeting

The Pahokee Woman's Club at a brief business meeting at the clubhouse Tuesday night voted to place two copies of "Florida Aflame," a book on Florida history written by Mark Boyd, in local libraries, one in the public library and the other in the Pahokee High School library. The group also voted to sponsor a booth at the PTA Halloween carnival, with Mrs. G. H. Tucker, Sr., finance chairman, in charge.

At the social hour following the meeting members of the Beta Omicron Chapter of the Beta Sigma Pi Sorority and the Pahokee Canal Point Garden Club were guests. The refreshments table, covered with a linen cloth, had as centerpiece a crystal punch bowl surrounded by fern and flowers. Bouquets of roses were used as room decorations. Mrs. Frank Friend, president of the County Federation of Woman's Clubs, presided at the punch bowl. Mrs. Robert Hutton and Mrs. Norman Kennedy acted as hostesses.

Missionary Speaks To Fellowship Group

Mrs. Hameryck of Florida Southern College, Lakeland, former missionary to the Belgian Congo in Africa, will speak on "The Influence of Youth for World Brotherhood" at a joint meeting of the Senior and Intermediate Methodist Youth Fellowship at the Pahokee Methodist Church Sunday evening at 6:30 o'clock.

Mrs. Hameryck will also be guest speaker during the evening service at the church when she will speak on "My Personal Experiences Here and Abroad in Relation to Missions Work," illustrating her talk with motion pictures.

CITY OF ORMOND

Honorable Dwight L. Brett
Mayor-Commissioner
City of St. Augustine
St. Augustine, Florida

Dear Mayor Brett:

I reply to your letter of August 23 with respect to the franchise granted a little over a year ago to the Florida Power and Light Company. I assume that the franchise of Ormond Beach follows a pattern similar to that proposed in your City. It is the type franchise that most cities have been granting in recent years to this Company.

Under the terms of this franchise, the City receives a substantial amount in lieu of taxes on property of the Company. It is estimated that this amount for our City for the current year will be in the neighborhood of \$10,000.00.

So far as I have observed, this franchise was well received by the public and appears to be working out very satisfactorily.

With kind personal regards, I am

Very truly yours,

F. J. LEWIS
Mayor

Hollywood Votes More Than 3 To 1 In Favor

Daily News Columnist Tells Facts About FPL Franchise Offered His Home Town Of Hollywood

(By Carlton Montayne, Hollywood Columnist in the Miami Daily News)

HOLLYWOOD, Fla., Oct. 1. — There will be a referendum election held in this city tomorrow. Voters will be asked to decide if a 30-year franchise shall be granted to the Florida Power and Light Co. to do business in this city. On

(NOTE: The Hollywood election was held the day after this article was written and the vote was 1966 in favor of the FPL franchise and 506 against.)

the eve of this election we would like to ask one question of our own before answering the questions of numbers of people on the many phases having to do with the granting of the franchise.

What would you do if the Florida Power and Light Co., quit doing business in Hollywood today? There are many people who are asking the question as to why the

power company should need a 30-year franchise. Our question, we believe, provides the answer.

The Florida Power and Light Co. is not a day to day business. It cannot operate for the benefit of its customers, it has no opportunity to gauge its field, its possibilities of growing with the community or to judge its obligations to the community in the light of that potential growth. The Florida Power and Light Co., does not buy today just for the needs of tomorrow, but of from 40 to 50 years from now. It does not engage and train employees on the basis of what its needs may be in the way of a years experience in the industry but, on the basis of that, ripened understanding, experience and intelligence which has brought 25, 30 and 35 year plans to many of its employees.

The use of Power and Light service may have just become a customer today, but immediately he is in possession of the facilities provided by millions of dollars

worth of investment, a half century of knowhow and the benefit of an equal period of close consistent planning for his benefit. When the Power company will have paid its investors for what they have provided in capital to furnish all of the various energy facilities for its wide and varied list of customers, it will have to borrow or seek further investment to carry on again from that point.

When the power company catches up with itself, then progress and research and all of the miracles of the great electrical age will have come to an end. And in all this great cavalcade of service which lies ahead for the Florida Power and Light Co., 30 years is of but marginal significance in the planning which the engineers of the power company must do on your behalf so that you may enjoy all of the marvels which the electrical age is turning out for your enjoyment and comfort in the myraid amount of electrical appliances which are constantly climbing in number and variety.

Thirty years is a long time to you or us as an individual but in the life or history of a community it is but a short period in planning for a public utility which must render that type of service expected by the people.

All U. S. citizens, 21 or over, who have lived in Florida one year, Broward county six months and Hollywood sixty days, are qual-

fied to vote in the referendum provided they are registered on the Broward county registration books. The city of Hollywood does not maintain separate voters registration books.

The franchise ordinance has been passed by the city commission approved by the mayor, and must now be approved by the qualified registered voters at this franchise election. It must be approved by a majority of those voting in this election before the franchise takes effect.

The company has guaranteed to pay the city an amount of money which, when added to the taxes it pays the city, will equal 5 percent of the company's revenue from residential and commercial customers in Hollywood. It is estimated that for the first year under the franchise the city will receive approximately \$42,000 in "new money" over and above all the company's taxes.

ing his men this week on defensive tactics designed to nullify the Springer to Kirtan aerals and has warned his squad to keep a sharp eye on the swivel-hipped Swilley.

In all games played so far this season the Blue-Devils have shown flashes of offensive power but they are not iron men and the lack of reserve strength dulls the efficiency of the overworked first string. Though they will start the game as underdogs Kendrick's men are capable of an upset in tonight's contest if they get their share of the breaks and don't tire too quickly.

Kendrick will probably start Bobby Carlton, left end; Jack Boland, left tackle; Gordon Hoyle, left guard; Lewis Pope, center; Charles McCurdy, right guard; Bennie Sims, right tackle; Robert Goodson, right end; Tommy Elliott, quarterback; Bobby Schroder, wing back; Carney Wilder, tail back; and Bill Hutton, fullback.

Last Friday night the Blue Devils traveled to Lake Worth where they were overpowered by the Trojans, 47 to 18. The Blue Devils started off like a ball of fire with Carney Wilder's passes to Bobby Schroder clicking beautifully and Bill Hutton running like a wild bull. At the end of the first quarter the score was Pahokee 12, Lake Worth 0, then Coach Cook's platoon system started steam rolling over the Pahokee lads and it didn't let up until the end of the game, except for a brief period in the middle of the third period when the Blue Devils took advantage of a blocked Trojan punt and passed their way to another six points.

Size it up and you'll see why
**More People Buy Chevrolets
Than Any Other Car!**

The Styline De Luxe 4-Door Sedan
(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Longest of the Lot

Chevrolet looks longest, Chevrolet is longest . . . a swank and sweeping 197 1/4 inches over-all that tops any other car in the low-price field. Size up Chevrolet's greater length, and you'll find it hard to settle for less.

Most Road-Hugging Weight

Gives you more road-hugging, road-smoothing weight . . . a hefty 3140 pounds! in the model illustrated that no comparable car in the field can match. Get the feel of this big car, and you won't settle for less. (*Shipping weight.)

Widest Tread in Its Field

Here's the steadiness of the widest tread in the field . . . 58 1/4 inches between centers of rear wheels. Once you've known the better roadability of Chevrolet's wider tread, you wouldn't settle for less.

Finest Comfort Features

Luxury of Body by Fisher . . . cradled ease of unitized Knee Action . . . smooth control of Center-Point Steering!

Biggest Brakes of Any Low-Priced Car

Big, powerful Jumbo-Drum brakes—largest in the low-price field! Use the car's own momentum to increase stopping power.

Way Ahead with Valve-in-Head

The trend's to valve-in-head. And Chevrolet's had it for nearly 40 years! Get sparkling performance and real over-all economy.

Join the Shift to No-Shift **POWER GLIDE** Automatic Transmission*

Sensationally smooth! Excitingly easy! It's a new experience in driving, the modern way to drive. Costs little more—or even less than many a car with standard gearshift!

*Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.
